

Spooks of Ages:  
Paranormal - Fact of Fiction Debate

DATE OF DEBATE: \_\_\_\_\_

OUTLINE DUE: \_\_\_\_\_

The most important thing to any debate is the statement, or resolution.

**STATEMENT:** Occurrences known to be paranormal can be easily explained by science.

You will be:

**AFFIRMING** (Agreeing)

**NEGATING** (Disagreeing)

Over the course of the next four days, you should be conducting research on your side of the debate. This research is to be done *on your own*. On the day before the debate you will be expected to hand in the following:

→ Outline of the information collected.

- This should include at least 10 points that you could argue. While you will be limited on your time, you will want to make sure that you have enough information to participate if you are the last to go in your group.
- This will be graded as a homework assignment.

→ Works cited page of where you found your information. Make sure this is in MLA format.
